JHL 11/25/63
Colonel White (via Mr. Lloyd):

25X1A6b

Your approval of [REDACTED] request for housing assistance to employees at [REDACTED] who purchased houses prior to 1 July 1963 would result in assistance to [REDACTED] employees in amounts ranging from \$23.55 per month to \$111.78 per month and a total Agency outlay of \$462.23 per month. The employees would pay a total of \$517.30 per month plus that portion of their utility bills which exceeds \$20 per month.

This is consistent with the system now in effect at JMWAVE and I recommend your approval. Commo is aware of the upcoming review of this housing assistance policy in January to reconsider the present terminal date of 31 May 1964.

One employee at [REDACTED] purchased a house on 21 August 1963, after being on notice that the Agency would until at least 31 May 1964 subsidize the rented quarters. Therefore this employee would not be entitled to housing assistance.
